EXAMPLE SEARCH: FINDING MIDUS ARTICLES BY TOPIC & YEAR

Consider that you want to do a search within the “Biomarkers” topic category and further that you want to restrict the time period to 2016-2019. Here is how such a search can be conducted:

1. Go to: http://www.midus.wisc.edu/findings/index.php

The screen will look like this:

2. Scroll down to #3 and enter “biomarkers” in the “Search Text” Field (see arrow). Note that the only searchable topics are those that appear in the chart at the top of the page labeled “1. Search by Topic.”
3. Choose “Search by Topic” from the drop down menu options in “Search Field” (see arrow).

4. In the “Date Range” field, enter the years you want to search for and click on the “Submit Query” button (see arrows):
5. Scroll down to see the results at the bottom of the screen that comes up (see arrow):

2. List all findings in our MIDUS database.

3. Search by Field:

Search Text:

Search Field: Search By Author

Entries Per Page: 20

Order Results By: Date

* Please enter 4-digit year, e.g. 2019

Number of hits: 154
