

DISSERTATIONS AND THESES using MIDUS DATA

6/23/22

Dissertations:	198
Master's theses:	<u>67</u>
Total:	265

- Ahrens, C. J. C. (2008). *Role combinations, role trajectories, and physical health: Findings from a national longitudinal study of Americans* (Publication No. 3367302) [Doctoral dissertation, The University of Wisconsin - Madison]. ProQuest Dissertations & Theses Global.
- Alessi, M. G. (2020). *The role of heart rate variability and inflammation in depression development and severity a decade later* (Publication No. 28255801) [Master's thesis, University of North Carolina at Charlotte]. ProQuest Dissertations & Theses Global.
- Allen, J. C. (2015). *Health effects from the ratio of social processes in older widowed adults* (Publication No. 10139439) [Master's thesis, Oklahoma State University]. ProQuest Dissertations & Theses Global.
- Alzahrani, N. (2020). *The effect of negative inferential types on hopelessness among Heart disease patients* (Publication No. 27959801) [Doctoral dissertation, Saint Louis University]. ProQuest Dissertations & Theses Global.
- An, J. S. (2002). *Psychological well-being in mid to late adulthood: Parent-child relationships across the lifespan and generativity development* (Publication No. 3074369) [Doctoral dissertation, University of Missouri - Columbia]. ProQuest Dissertations & Theses Global.
- Andersson, M. A. (2014). *Expecting good things and feeling good: A sociological approach to health inequalities* (Publication No. 3638344) [Doctoral dissertation, The University of Iowa]. ProQuest Dissertations & Theses Global.
- Arenella, K. M. (2020). *Women's sexual satisfaction in the context of midlife relationships: Examining an ecological model and intergenerational caregiving* [Doctoral dissertation, University of Missouri - Saint Louis]. IRL @ University of Missouri-St. Louis. <https://irl.umsl.edu/dissertation/944/>
- Baek, Y. (2018). *The role of personality in successful aging* [Doctoral dissertation, Iowa State University]. Iowa State University Digital Repository. <https://lib.dr.iastate.edu/etd/16544>
- Ball, S. C. (2012). *The effect of marital status and caregiving responsibilities on the well-being of grandfathers raising their grandchildren* (Publication No. 3511498) [Doctoral dissertation, University of Arkansas for Medical Sciences]. ProQuest Dissertations & Theses Global.
- Banks, S. R. (2009). *Event-specific control, salivary cortisol, and the daily stress process* (Publication No. 3399625) [Doctoral dissertation, The Pennsylvania State University]. ProQuest Dissertations & Theses Global.
- Barber, K. R. (2004). *The role of chronic illness, perceived control, social support, and healthcare discrimination in mental wellbeing and alternative healthcare* (Publication No. 3158912) [Doctoral dissertation, Michigan State University]. ProQuest Dissertations & Theses Global.
- Beal, M. E. (2013). *Predictive qualities of social characteristics and social integration on altruistic outcomes* (Publication No. 1527530) [Master's thesis, California State University, Long Beach]. ProQuest Dissertations & Theses Global.
- Beck, E. D. (2020). *A mega-analysis of personality prediction: Robustness and boundary conditions* (Publication No. 28031497) [Doctoral dissertation, Washington University in St. Louis]. ProQuest Dissertations & Theses Global.
- Belanger, N. M. S. (2018). *Exploring the bidirectional effects of personality and negative social interactions across adulthood* (Publication No. 10809574) [Doctoral dissertation, West Virginia University]. ProQuest Dissertations & Theses Global.
- Bennett, M. (2022). *Heart rate variability (HRV), cortisol, and trait anxiety in mid-life adults* [Master's thesis, Marquette University]. e-Publications@Marquette. https://epublications.marquette.edu/theses_open/691/
- Bertholf, R. (2021). *Determinants of self-reported fatigue with aging* [Master's thesis, University of Oklahoma]. SHAREOK. <https://hdl.handle.net/11244/330717>
- Berwick, A. C. (2013). *Relationships between education, personality, change in personality traits, and the use of mental health services among middle-aged women over a 10-year time span* (Publication No. 3563121) [Doctoral dissertation, The University of North Carolina at Charlotte]. ProQuest Dissertations & Theses Global.
- Besen, E. T. (2013). *The job demands-control-support model: Understanding the implications of age* (Publication No. 3557640) [Doctoral dissertation, Boston College]. ProQuest Dissertations & Theses Global.
- Bevens, K. (2020). *The effects of debt on the relationship to psychological and social well-being* [Doctoral dissertation, University of Texas at Arlington]. UTA Libraries. <https://rc.library.uta.edu/uta-ir/handle/10106/29090>
- Biggane, C. (2018). *Religion, purpose, and health outcomes* (Publication No. 10981902) [Master's thesis, University of Colorado at Denver]. ProQuest Dissertations & Theses Global.

- Birditt, K. S. (2002). *Age and gender differences in reactions to interpersonal tensions: The daily experience of arguments and the avoidance of arguments* (Publication No. 3076929) [Doctoral dissertation, The Pennsylvania State University]. ProQuest Dissertations & Theses Global.
- Bisson, A. N. (2021). *Examining sleep as a mechanism linking physical activity and cognition* (Publication No. 28149150) [Doctoral dissertation, Brandeis University]. ProQuest Dissertations & Theses Global.
- Blount, S. (2009). *Negative spillover and mental health: An exploration of the moderating effects of sociodemographic factors, family characteristics, socioeconomic resources, and work characteristics* (Publication No. 3375691) [Doctoral dissertation, The University of Akron]. ProQuest Dissertations & Theses Global.
- Boylan, J. M. (2013). *Psychosocial moderators and neurobiological mediators of inequalities in health* (Publication No. 3589959) [Doctoral dissertation, The University of Wisconsin - Madison]. ProQuest Dissertations & Theses Global.
